ANNEXURE-II

RECOMMENDATION OF ACTION PLAN COMMITTEE.

1. Recommends that 2 growth centres be established. These should be preferably located at Hindiganala cross road H.cross, or Jangamakote Cross Road, Sidlagatta taluk, Kolar district, in South Karnataka and Bagalkot in North Karnataka. KIADB should make a minimum of atleast 200 acres of land available for each growth centre.

2. The industries like cold storage unit, Refrigerated transport vehicles, containers etc., units manufacturing food grade packing materials, units involved in packing canning and bottling of processed foods, godowns and warehouses constructed exclusively for storage of perishable food products, Tissue culture laboratories green houses etc., units manfacturing preservatives, essences, flavours and other chemicals used in processed foods and green house purseries.

3. Desirable to extend all the incentives and concessions that are given at 100% EOU to Agriculture Processing Industries in Growth centres.

Period of ST exemption or deferment.

a) Developed area. From existing 4/6 years to 6/8 years.

b) Developing Area. From existing 6/8 years to 8/10 years.

c) Growth Centres. From existing 7/8 years to 10/12 years.

4. In respect of service facilities such as cold storages units, ware houses, transport facilities, tissue culture laboratories, etc. Exemption from payment of all taxes

(including ST & entry tax and works contract tax). On capital equipment including building materials during construction phase of the project and exemption from payment of stamp duty and registration charges to the extent possible under stamp Act (50% of assets and 100% for loan document, irrespective of size and location.

5. A concessional power tariff of 50% of the nominal tariff for a period of 5 years from the date of commencement of commercial operation.

6. Exemption from minimum power charges levied by KEB during off-season subject to a minimum of one month and upon prior intimation to local KEB office.

7. S.T. on packaged processed food may be brought down to the lowest slab of 2 %. ST on all packaged processed food manufactured by tiny and small scale industries may be totally abolished (only for such units which are agreeable to market their products under a common brand name through MSIL/ KSIMC).

8. Single window clearance mechanism to be made more effective and attractive.

9. Relaxation of the provision under Karnataka Land Reforms Rules permitting industrial houses to purchase agriculture land specifically stipulate that the land shall not be used for growing any agricultural or horticulture based raw materials.

10. For purchase of land upto 20 units the Deputy Commissioner of the concerned district shall be empowered to grant exemption without any reference to the Government within 30 days on the recommendation of concerned committee.

11. For lands in excess of 20 units, State level single window agency shall examine the cases and forward recommendations to Revenue Department after obtaining technical evaluation report from the Agricultre/Horticulture Department representative and Revenue Department shall examine the recommendation and grant exemption within 30 days. Such permission shall enable for utilisation of land, not only for establishing the industrial units but also for purpose of agricultrural farming to meet the raw materials upto an extent of 30% of total requirment.

12. All agriculture lands purchased by private enterpreneurs under the amended Land Reforms Act for establishment of Agro processing Industries should remain as agricultural land and should not be converted.

13. Farm lands/Farms under control of Agriculture/ Horticulture and Sericulture Department shall be permitted to be given on long term loan to Industrial units for growing/ cultivating the required Agricultural/Horticultural produce. The concerned department shall fix a suitable lease amount. The lease rental shall not exceed 3% tender-cum-auction of the value (per year).

14. The concept of contract farming shall be encouraged the Director of Agriculture, Director of Horticulture shall be empowered to prescribe suitable guidelines and procedures.

15. Growth centre authority should create and maintain common facilities.
